

Enhanced Seatweaving and Furniture Design Contest

2020

Furniture Students and Artisans

You are invited to submit full sized furniture pieces for The SeatWeavers' Guild, Inc.®
Enhanced Seat Weaving and Furniture Design Contest

A furniture contest held in conjunction with The SeatWeavers' Guild 13th Annual Gathering July 24-26, 2020 in Hull, Massachusetts.

The goal of the contest is to advance the creativity and art of seat weaving in furniture; to bring new concepts, views, and thoughts utilizing traditional and / or innovative materials and designs to woven seats and furniture.

All furniture artisans are invited to submit works, with no regard to age, weaving or design level status. You do not have to be a current member of the guild, but of course, membership is encouraged.

Selection committee jurors will independently screen all written applications and images, determining the winners. Entries will be evaluated on creativity, design, technique, craftsmanship and overall concept.
